

# PHOTO TEST

Name:

Age:

Date:

### 1.- Naming (Nam)

Show him/her the sheet of photos and ask him/her to name them; award **1 point** for each correct answer; in case of error or no response, indicate the correct name and award no points.

(Once this task is finished, withdraw the lamina and keep out of sight of the subject)

### 2.- Verbal Fluency(VF)

a.- *"I want you to tell me all the names of men/women\* that you can remember* (\*if the subject is male, say "women", if female, say "men")

(Do not give examples, allow **30 seconds** and start recording the time from when he/she says the first name. Give **1 point** for each correct name, do not score similar names twice (e.g., Cathy-Catherine; Joe-Joseph; Jenny-Jennifer, etc.)

b.- *"I want you to tell me all the names of men/women\*\* that you can remember* (\*\* if the subject is male, say "men", if female, say "women")

(Do not give examples, allow **30 seconds** and start recording the time from when he/she says the first name. Give **1 point** for each correct name, do not score similar names twice (e.g., Cathy-Catherine; Joe-Joseph; Jenny-Jennifer, etc.)

### 3.- Recall

a.- Free Recall (FR): *"Do you remember what photos there were in the sheet I showed you before?"*. (**Maximum 20 seconds**); give **2 points** for each correct response.

b.- Cued Recall (CR): Offer as a cue and assistance the "category" of images that he/she did **NOT** remembered spontaneously before, saying for example: *"There was also a fruit, do you remember it?"*. Give **1 point** for each correct response.
